

Announcement

CNR Plans Available in LandGazette

In 2008 the Association made an agreement in principle with IBL to officially endorse the LandGazette Registry System. We are pleased to announce that the Canadian National Railway Plans, which were purchased by the Association in September 2011, have now been uploaded to the LandGazette servers and may be used by our members and the general public.

IBL has made these Files available and may be accessed as follows:

1. Open LandGazette at www.landgazette.com
2. Click Free Utilities on left hand side of page
3. Click link titled "Canadian National Railway Plans"
4. Acknowledge the disclaimer (put into process to protect ANLS and IBL)
5. Select plan of interest from the drop down list

Moving forward, ANLS plan to capture other attribute information from these plans to make your search more meaningful in the future. *Stay tuned*

If you have any questions, regarding the use of LandGazette or the CNR Plans, please do not hesitate to contact the ANLS office or Ian Edwards, Information Brokerage Ltd. (IBL) at iedwards@infotown.net or phone 709-279-1996.
