Highlights

On Vacation

Please note that I will be away attending the Executive Director meetings in Toronto, ON, August 14th – 16th. Following that I will be taking one-week vacation from Monday, August 20th, 2018 and returning Monday, August 27th, 2018. I will be available via email.

Our summer student Leslie Holloway will be in the ANLS office as she continues to input surveyors' files into LandGazette.

Marker Orders

If you require markers before my return on August 27th, please let me know by Friday, August 10th.

Horizons Magazine Ad

The Spring 2018 Edition of the Horizons Magazine published an Article entitled "Why You Need to Consult a Professional Land Surveyor Before Buying a Home", Source CBC Licensing
<http://www.cbc.ca/news/canada/sudbury/laurentian-university-property-boundary-issure-1.4183853>.

This Magazine is now available for purchase and contains the full article on page 71.

Beat the Summer Heat

WHAT:

Extreme heat or heat waves occur when the temperature reaches extremely high levels or when the combination of heat and humidity causes the air to become oppressive.

WHO:

WHERE:

HOW to AVOID:
