2nd NOTIFICATION TO MEMBERS – BY-LAW 17

Council has reviewed By-Law 17, conducted correspondences via telephone and has presented opportunities for discussion at regional meetings on this special issue.

Council has also instructed the MCPD committee to prepare an information / instructional video to be uploaded to the ANLS website to assist members.

The following criteria is applicable to members and should be utilized as a guide to ensure compliance to By-Law 17.

1. Date officially announced by council (as per By-Law 17) – January 1, 2017
2. % now required to be entered with dates – 75% for 2019.
3. 100% to be entered by January 1, 2020.

Council urges all to adhere to this and all By-laws presently entrenched in our legislative body of the ANLS.

Do note that assistance, if required, may be obtained by directly contacting IBL, ANLS office or fellow surveyors familiar with the IBL system, or by viewing the instructional video.

Your thoughts and views are important to council, so please feel free to contact council with any concerns or questions.

Respectfully,

Neil Parrott, NLS, CLS, President,
Association of Newfoundland Land Surveyors
